DEAR COLLEAGUE:

Membership connects you to your dental community—across the country, throughout New York State and with your local dental societies. With over 163,000 members nationally, over 11,000 members in New York State and 13 local dental societies, organized dentistry provides its members with many benefits and countless ways to get involved.

Member-exclusive resources include:

- **Trusted Source of Information:** NYSDA is your trusted source of information for monthly news, practice resources, breaking news, and more. nysdental.org
- **Advocacy:** NYSDA works hard to represent you in the halls of government, and this year we will continue to keep you up-to-date on our advocacy efforts. We will work to influence public policies affecting the practice of dentistry in NY and the oral health of the American public. nysdental.org/advocacy

- **CE Navigator:** Helping you track CE credits, manage coursework, and maintain compliance with New York State requirements—all in one place. nysdental.org/ce-navigator
- **Connect and Network:** Follow us across social media and check out the NYSDA Events Calendar to connect with your dental community. nysdental.org/calendar
- **Membership Concierge:** Your one-on-one experience awaits. The NYSDA Membership Concierge is available to answer your questions and assist with all of your membership needs. nysdental.org/concierge
- **Legal Protection Plan:** The Legal Protection Plan is designed to protect the legal and financial interests of dentists facing public and private administrative proceedings. nysdental.org/legal
- **Practice Resources:** Start sleeping better with our entire suite of ready-to-use dental insurance solutions at ADA.org/dentalinsurance.

We look to all of our members to become active in volunteer opportunities at every level of the tripartite. We appreciate your support, look forward to continuing to provide a valuable experience, and remain committed to helping members succeed today, tomorrow and into the future.

Sincerely,

**Amarilis
Jacobo, DDS**

New York State
Dental Association

Our Mission

Stronger together for
the future of dentistry.

The New York State Dental Association (NYSDA) is the voice of the dental profession in New York State. Since its founding in 1868, dental professionals have relied on NYSDA to represent them in the Legislature, advance the profession, and set the highest ethical standards for practice.

NYSDA is the New York State constituent of the American Dental Association. This powerful partnership is enhanced by 13 local component dental societies that make up our state. Members enjoy an array of benefits at all three levels, and there are countless ways to get involved.

Ours is a tradition of caring. NYSDA is dedicated to ensuring the highest level of dental care for every New Yorker. Oral health is critical to overall health, and NYSDA strives to deliver that message every day.

NYSDA members come from every corner of the state. This diverse group of professionals offers members the chance to make connections, develop networks, and get involved in organized dentistry.

DIGITAL MEMBERSHIP CARD

You can now access your digital tripartite membership anytime, from anywhere, online. Members can download or print membership cards. Follow these four easy steps to access your membership card today!

Practice Support

nysdental.org/practice-support

Substance Use Disorder & Well-Being

nysdental.org/substance-use-support-services

NYSDA is committed to aiding our colleagues in addressing substance abuse, addiction, and related mental health issues. Our Committee on Substance Use Disorder and Well-Being provides a statewide network of dentist-peers who are available to assist members, their families, and the dental office staff in addressing problems with substance abuse and co-occurring mental health disorders. We are only a confidential phone call or email away at 800-255-2100 ext. 250 or jdonnelly@nysdental.org or Dr. Bob Herzog, 716-830-3055.

Member Assistance Program (MAP)

nysdental.org/MAP

NYSDA is committed to fostering a culture of wellness across the organization. We are proud to partner with AllOne Health to provide NYSDA members and their families with comprehensive counseling services for mental health wellness, financial wellness, and work-life balance.

Dental Benefit Plans

nysdental.org/dental-insurance-benefits

Patients present with a variety of dental benefit plans, including managed care, self-funded benefits, Medicaid, Medicare, and No-Fault or Workers' Compensation Insurance. NYSDA can help your practice navigate this complex system.

Managed Care Contract Analysis

nysdental.org/contract-analysis

NYSDA and the ADA's Contract Analysis Service provide a free legal analysis of managed care contracts.

To receive an analysis of an unsigned contract that you are considering, send a copy of the contract and your contact information to: NYSDA, 20 Corporate Woods Blvd., Suite 602, Albany, NY 12211, Attn: Contract Analysis Service OR via email to jdonnelly@nysdental.org

Medicare

nysdental.org/medicare

Medicare is a federal health insurance program for people age 65 or older, people under age 65 with certain disabilities, and people of all ages with end-stage renal disease.

ePrescribing/Prescription Monitoring Program

nysdental.org/eprescribing

As of March 2016, New York State requires all prescriptions to be issued electronically for both controlled and non-controlled drugs. When prescribing controlled drugs, doctors must first query the NYS Department of Health's Prescription Monitoring Program (PMP).

ADA Find-a-Dentist™

Expand your patient roster by completing your ADA member profile

Patients can now find member-only dentists through the ADA's Find-a-Dentist™. Search by name, zip code and more specific information, like distance and specialty.

The more complete your profile, the higher you will be in the search results among members in your area. Members can add information, such as multiple practice locations, phone numbers, accepted insurance providers, website, spoken languages, and more. Adding a profile picture so patients can see you prior to their visit—or you may opt to simply add your practice logo—will also increase your search visibility.

Patients are using ADA Find-a-Dentist™ to find you

Visit ada.org/findadentist for more helpful information and to complete your member profile today. Contact the ADA with any questions via email memberprofile@ada.org, or by phone at 800-621-8099.

Advocating for You

Advocacy

nysdental.org/advocacy

Headquartered in Albany, the New York State Dental Association is the leading oral health advocate in New York State. NYSDA seeks legislative & regulatory changes that positively affect the practice of dentistry in NY and the oral health of the American public. We also provide technical support to help component dental societies advance their respective policy agendas and protect the profession in local communities.

NYSDAPAC

nysdental.org/nysdapac

NYSDA's new and only Political Action Committee, is fully owned and directed by NYSDA. This dedicated, non-partisan PAC allows members to support legislative efforts that impact the dental profession while ensuring all contributions align with NYSDA's mission and values. Governed by the NYSDA Board of Trustees and supported by professional management for legal compliance, NYSDAPAC provides a streamlined, cost-effective structure that maximizes your contributions. Integrated into the familiar dues structure, this PAC is focused on securing a strong future for dentistry and public health, fully aligned with NYSDA's commitment to its members and advocacy goals.

Legal Resources

Code of Ethics

nysdental.org/legalresources

The practice of dentistry was established as a profession with one overriding principle in mind: the benefit of the patient. This is the cornerstone of dental ethics. This philosophy is the foundation of The Principles of Ethics and Code of Professional Conduct of the New York State Dental Association. All members should make the Principles and Code an important part of the very fabric of their practices.

The ADA has produced a video featuring the A-Z of ethics in dentistry. To view, visit: mouthhealthy.org/en/az-topics/e/ethics-and-dentistry

Legal Services Panel

nysdental.org/legalresources

The New York State Dental Association offers a panel of attorneys and law firms to whom NYSDA members can go for legal advice on dental matters, including: Office of Professional Discipline; Medicaid; Contract Analysis; Entity Creation/Practice Sales; and Commercial Litigation.

NYSDA members receive an initial, free consultation and a 10% discount off the standard fees.

Legal Protection Plan

nysdental.org/LPP

The Legal Protection Plan is available to New York State Dental Association (NYSDA) members in good standing for a small additional charge.

The Legal Protection Plan is designed to protect the legal and financial interests of dentists facing public and private administrative proceedings. The Legal Protection Plan is not insurance or an insurance plan and is not the offering of an insurance plan.

For additional information on the Plan, please contact the NYSDA Legal Department at 800-255-2100 extension 242, or at pmarcucia@nysdental.org.

New York Dental Practice Act

nysdental.org/legalresources

The Dental Practice Act guide (PDF), prepared by NYSDA, is provided as a service to members of NYSDA who need a concise source of information regarding the laws and regulations that make up the body of the New York State Dental Practice Act.

It should be noted that sections of law and regulation outside of the Dental Practice Act are not included in this guide and that anyone needing additional information should contact an attorney or NYSDA. Also, it is important to remember that New York's Dental Practice Act is a "living" document which is continually subject to amendment.

Peer Review

nysdental.org/peer-review

New York State Dental Association members demonstrate their commitment to quality care through our Peer Review and Quality Assurance Program.

Peer Review provides a confidential, impartial and timely way to resolve complaints about the appropriateness and quality of dental treatment provided by NYSDA-member dentists. Participation in this alternative dispute resolution process is a membership requirement.

A Guide to Peer Review outlines the process a Peer Review case undergoes on its way to resolution.

For additional information on Peer Review, contact the NYSDA Legal Department at 800-255-2100 extension 242, or at pmarcucia@nysdental.org.

HOW PEER REVIEW WORKS

Patient calls local district dental society to discuss concern about member dentist.

Local district office determines if the concern qualifies for a peer review. If so, the patient is provided with *A Guide to Peer Review* and an *Agreement to Submit to Peer Review*.

The local district office sends the *Agreement* to the dentist the patient is complaining about for his/her statement and signature. The member dentist must return copies of the patient's treatment records and financial information to the local district office with the *Agreement*.

The Peer Review Committee then determines whether the complaint can be resolved by Peer Review. If eligible for Peer Review, mediation will be conducted. A mediator will contact both the patient and dentist.

If the dentist and patient come to a mutual agreement, the case will be closed. No refund can be greater than the amount the patient actually paid for the treatment.

If the complaint is not settled by mediation, a hearing will be held.

The local district dental society notifies the patient of the proceeding's outcome by way of a decision letter.

Continuing Education & Licensure Requirements

Newly Licensed Dentists

nysdental.org/ce

During your first registration period, your residency program will count as the full 60 CE credits required; however, you must still complete all New York Statemanded courses before your license renews.

Mandatory Coursework

nysdental.org/ce

New York State law requires dentists to complete at least 60 credit hours of continuing education (CE) every three years. The New York State Education Department (NYSED) determines which courses qualify.

Requirements for each three-year registration period:

- 60 CE credit hours
 - Up to 18 credits may be completed through home study
- State-mandated courses:
 - Ethics and Jurisprudence once in your career, unless NYSED regulations require an update
 - Tobacco Cessation/Oral Cancer once in your career, unless NYSED regulations require an update
 - Mandated Training Related to Child Abuse once in your career, unless NYSED regulations require an update
 - Infection Control once every four years
- CPR
 - Must maintain a current certificate (typically renewed every 2 years)
 - Must be taken in person

Note: Practice management courses are not accepted by NYSED and cannot be applied toward the 60-credit requirement.

Visit the New York State Education Department for more information about courses and requirements:

op.nysed.gov/professions/dentists/continuing-education-q-a

Dental Anesthesia and Sedation

nysdental.org/ce

Dentists must apply for a certificate with the New York State Education Department in order to administer general anesthesia, deep sedation or conscious sedation (parenteral or enteral route, with or without inhalation agents) in their professional practice at locations other than general hospitals.

This information is available from the New York State Education Department: op.nysed.gov/professions/dentists/dental-anesthesiasedation

Responsible Opioid Prescribing

nysdental.org/ce

All prescribers licensed in New York State to treat humans who hold a DEA registration number, as well as medical residents prescribing under a facility DEA registration, must complete three (3) hours of approved coursework in pain management, palliative care, and addiction.

This training is required every three years. Practitioners must notify the New York State Department of Health (DOH) that they have completed the requirement by submitting an attestation online:

health.ny.gov/professionals/narcotic/

Giving Back

nysdentalfoundation.org

The New York State Dental Foundation's work proudly expresses the profession's commitment to social responsibility and to being the leading oral health champion of the vulnerable and underserved.

New York State Dental Foundation Focus Areas

Access to Care

The Foundation improves oral health care for all New Yorkers by hosting oral cancer screenings and oral health care events, facilitating awareness campaigns, and promoting the dental professions. Through the Dr. Stephen B. Gold Access to Care Fund, we provide funding for oral health initiatives and projects that serve vulnerable populations in New York State, including veterans, children, the elderly, and individuals with development disabilities.

Champions for Change

The Foundation is building a community of young people working to create positive change across New York State. By engaging students and residents with meaningful volunteer and mentorship opportunities, we believe that the next generation of dental professionals will grow roots in New York—and they will be better prepared to practice dentistry with compassion, vision and a spirit of inclusiveness.

Support for Dentists

The Foundation is creating a culture of philanthropy in the dental community by offering ways for dentists to care for one another. Through the Dr. Thomas H. Sullivan Substance Abuse Grant Program, the Foundation underwrites substance abuse treatment for dentists with financial need who are struggling with addiction. We also fund relief efforts for dentists impacted when natural disasters strike.

Ways to Give

The New York State Dental Foundation is a 501(c)(3) organization. All contributions are tax deductible to the extent permitted by law. Your gift—no matter the size—helps us to expand access to care for New York State's most vulnerable populations.

Donate by Mail

Contributions made by check should be payable to New York State Dental Foundation and mailed to our office at:

New York State Dental Foundation
20 Corporate Woods Blvd, Ste 602
Albany, NY 12211

Donate Online

You can schedule a one-time, quarterly, or monthly gift online by visiting nysdental.networkforgood.com. We are especially grateful for recurring donations because they provide steady, predictable income for the Foundation to fulfill its mission.

Check the Box

When you pay your annual NYSDA dues, you have the option of making a contribution to the Foundation that provides critical, ongoing support to our mission.

Give Through a Donor-Advised Fund

Donor-advised funds are the fastest-growing charitable giving vehicle in the United States because they are one of the easiest and most tax-advantageous ways to give to charity. The New York State Dental Foundation is an IRS-qualified public charity. If you have a donor-advised fund with Ayco, Fidelity, Goldman Sachs, Schwab, Vanguard, or any other donor-advised fund sponsor, you can recommend grants to our organization using the address above and tax ID #13-3051339.

Tribute Gifts

Gifts in someone's memory, or in honor of a special occasion, can be designated to the New York State Dental Foundation at the address above. Let us know about tribute gifts that may be coming so that we can also include a special designation on our donation page.

Leave a Legacy Gift

You can demonstrate what you believe in—and preserve our ability to improve oral health care for all New Yorkers for generations to come—by remembering the New York State Dental Foundation in your estate plans.

Sample Bequest Language: "I give to New York State Dental Foundation, a nonprofit corporation currently located at 20 Corporate Woods Blvd., Ste 602, Albany, New York 12211 (Tax Identification Number: 13-3051339), or its successor thereto, _____ [written amount or percentage of the estate or description of property] for its unrestricted use and purpose."
