Continuing Education Recognition Program

New York State Dental Association is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE Provider may be directed to the provider or the ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).

## NYSDA Presents:

2026 BLACK HISTORY MONTH EVENT: HOW COLLABORATION,  
CULTURE, AND CLINICAL MASTERY SHAPE MODERN DENTISTRY

### LEARNING OBJECTIVES

- **Evaluate diagnostic findings** in complex clinical cases where cultural, medical, and behavioral factors influence treatment planning and outcomes.
- **Identify appropriate referral pathways and interdisciplinary coordination strategies** between general dentists, oral surgeons, and endodontists.
- **Apply trauma-informed and culturally responsive approaches** to patient communication and chairside clinical management.
- **Assess risks and treatment modifications** for medically complex and systemically compromised patients.
- **Compare evidence-based treatment options** across specialties and justify clinical decision-making using current literature and standards of care.
- **Improve sequencing of interdisciplinary treatment** to enhance predictability, patient safety, and long-term outcomes.

### AGENDA

- **6:00 – 7:00 PM:** Reception & Networking (Non-CE)
- **7:00 – 7:10 PM:** Welcome & Program Overview – Clinical learning objectives and interdisciplinary focus
- **7:10 – 8:10 PM:** Clinical Specialty Presentations (20 minutes each)
  - General Dentistry: Diagnosis, treatment planning, and culturally competent patient communication.
  - Oral & Maxillofacial Surgery: Medical risk assessment and management of the medically complex dental patient.
  - Endodontics: Pain management, ethical decision-making, and tooth preservation to support restorative outcomes.
- **8:10 – 8:40 PM:** Interdisciplinary Clinical Roundtable – Collaborative treatment planning and referral decision-making
- **8:40 – 8:55 PM:** Audience Q&A – Case-based discussion and clinical application
- **8:55 – 9:00 PM:** Program Conclusion & Key Takeaways
