

New York State Dental Association

MEMBER BENEFITS

at-a-glance

ABOUT US

The New York State Dental Association (NYSDA) is the leading voice for dentistry in New York, representing more than 11,000 dentists. Since 1868, we've been dedicated to advancing the profession, advocating for our members, and promoting the highest standards of oral health care. As a proud constituent of the American Dental Association, we connect dentists with the resources, community, and support they need to succeed.
