

# 2026 HOUSE OF DELEGATES STRATEGIC VISIBILITY PROGRAM

New York State  
Dental Association

## REACH MORE | SPEND LESS | BE REMEMBERED

NYSDA's annual House of Delegates Meeting will bring 200+ decision-making dentists to the renowned Borgata Hotel & Casino in Atlantic City June 5-6, 2026.

The highly anticipated meeting of the House of Delegates, the governing body of our 11,000 member dentists, merges the important work of the Association's governance and policymaking with an array of social events making the experience memorable for members and guests.

## BEYOND THE BOARDROOM

**You don't have to be present to connect with the voices that influence our membership. Our NYSDA ConnX partners will gain premium exposure through our clinical magazine *The New York State Dental Journal* and digital channels, reaching all 11,000 members across New York State.**

This approach delivers broader visibility, longer shelf life and measurable value, while eliminating the costs and logistics associated with travel and staffing an event.
