12 Month Option to Pay Dues With Auto-Renewal

Background Statement: In our current economy, many purchases are made with monthly payments which renew automatically each year. NYSDA has been accepting 6 monthly dues payments annually for many years. A pilot program was initiated in 2022 which assisted non-members who wished to join within the last fiscal quarter of the year. These individuals received 15 months of membership if they signed up for 12 monthly payments with future auto-renew. This program appears to be successful so far. It seems that our current members should be able to receive similar payment opportunities. We therefore recommend that NYSDA should implement a new 12 month dues paying option with auto-renew for all members and non-members. We believe that this member initiative will help to maintain our current membership, as well as attract new members. Therefore, we present the following resolution to address this problem:

21. Resolved, that NYSDA offer all current members, as well as prospective members who wish to join, the option to pay their dues in 12 monthly installments with automatic annual renewal upon joining.

Board Comments: The Board supports the 12 month installment dues payment option. We understand that the Salesforce/Fonteva software is currently problematic but hopefully will be remedied before the 2026 dues year.
